From The Developers of Dossier Fleet Maintenance Software

The new **Dossier Fleet Card** provides a widely accepted fleet fuel and service buying program integrated with Dossier Fleet Maintenance Management software. This powerful combination maximizes convenience, control and flexibility.

The Dossier Fleet Card is powered by US Bank Voyager Fleet Systems and is accepted at over 200,000 fueling and maintenance locations throughout the nation – in fact, it is accepted in every single zip code in the US !!

Dossier offers the most complete array of data management and reporting tools in the industry - designed by fleet managers – for fleet managers. Now you can have complete control of your fleet fueling and on road maintenance in one flexible and convenient fleet card program tailored to fit your needs!

You'll benefit from:

- No monthly account or set up fees
- Dossier Fleet Card powered by US Bank Voyager Fleet Systems is accepted at over 200,000 fueling and maintenance locations in every zip code throughout the United States
- Eliminate manual data entry of meter readings and fuel purchases by importing this data directly into your Dossier program with the optional Fuel and Meter Data Import module
- Pay-at-the-pump time-savings and convenience
- Added security of card prompt for Personal Identification Number (PIN)
- The ability to customize the program to suit your specific needs
- Flexible and innovative card level exception and purchase reporting
- Control at the card level that lets you limit purchases by fuel only, number of transactions per day/month, dollars per month, or any other combination
- Fleet Commander Online for 24/7 access to your account

This exciting new fleet management service will help you better control your on-road fuel and service spending. To learn more or begin using the Dossier Fleet Card management program, please call Arsenault Associates at (800) 525-5256, or email us at Sales@Arsenault.biz.
